STRENGTHS

- If any of tasks assigned, I would like to take responsibility as an initiative.
- Confident and Determined.
- Ability to cope up with different situations.
- Co-operative with others at work and ability to deal with people diplomatical

PROJECT DONE:

- **Project type   :mini Project**
- Project title   : Smart Helmet
- **Description :** Smart Helmet is an innovative way of designing a helmet for safety purpose using differ-ent components. Motorcycle engine will start only when the rider wears a helmet and b-buckles the belt of the helmet. This will reduce the impact of the accidents. In case if therider is drunk, alcohol detector detects the alcohol content and stops the rider from start-ing the vehicle. Through this project we can reduce many accidents and save lives of ma-ny people.
- **Goal   :** To reduce road accidents.
- **Project Type   :Major Project**
- Project title   :Password Based Circuit Breaker
- **Description :** Password Based Circuit Breaker is design to protect a Circuit From damage which is caused overload or short circuit. Many fatal electrical accidents are happen due to miscommunicate- ion between the maintenance staff and the electric substation staff.
- **Goal   :** To reduce electrical accidents

HOBBIES:

- Playing chess
- Listening to music

ACHIEVEMENTS

- I got Participation certificate conducted by ISKCON ANANTAPUR in SSC.

PERSONAL DETAILS:-

Father's Name	:	R Gurushekar
Date of Birth	:	18-04-1999
Gender	:	Male
Marital Status	:	Un-Married
Languages known	:	English, Telugu, Tamil
Nationality	:	Indian
Alternate contact no	:	+91 – 6281806050

DECLARATION:-

I declare hereby confirm that the above information given is true to the best of my knowledge.

Place : Dharmavaram

Date : **R GURAPPA**
